arredo valvola®

DESIGN VALVES FOR RADIATORS

Realizziamo valvole e rubinetti che combinano tecnologia e semplicità d'uso con gusto e design innovativo.

EN We produce valves and taps that combine technology and ease-of-use with taste and innovative design.

DE Wir stellen Ventile und Armaturen her, die Technologie und Benutzerfreundlichkeit mit Geschmack und innovativem Design vereinen.

FR Nous fabriquons des vannes et des robinets qui allient technologie et facilité d'utilisation avec esthétisme et design innovant.

ES Realizamos válvulas y grifería que combinan tecnología y simplicidad de utilización con gusto y diseño innovativo.

PT Realizamos a fabricação de válvulas e torneiras que combinam tecnologia e facilidade de uso com bom gosto e designer inovador.

RU Мы производим клапаны и смесители, которые сочетают в себе технологию и простоту использования со вкусом и инновационным дизайном.

TRADIZIONE ESPERIENZA

tradition - experience / tradition - erfahrung / tradition - expérience
tradición - experiencia / tradição - experiêncía / традиция - опыт

EN From the past we have inherited the craftsmanship, the method and the competence to look at the future knowing that the experience and the skills of the people are an added value. We support the Made in Italy in every step of the production process.

DE Aus der Vergangenheit haben wir die Geschicklichkeit, die Methode und die Fähigkeit in die Zukunft zu blicken gelernt, immer mit dem Bewusstsein, dass menschliche Erfahrung und Kompetenz ein Mehrwert ist. Wir unterstützen MADE IN ITALY in jeder Phase unserer Produktion.

FR Nous avons hérité du passé la maîtrise, la méthode et la capacité de regarder vers l'avenir, conscients que l'expérience et la compétence des personnes sont une valeur ajoutée. Nous soutenons le "MADE IN ITALY" à chaque étape du processus de production.

ES Del pasado hemos heredado la habilidad, el método y la capacidad de mirar al futuro, conscientes que la experiencia y la competencia de las personas son un valor añadido. Aportamos el MADE IN ITALY en cada fase del proceso productivo.

MADE IN ITALY ETICA AZIENDALE

MADE IN ITALY - company ethical / unternehmensetik / déontologie de l'entreprise / ética empresarial / produto 100% italiano - ética empresarial / сделано в италии - этика компании

Dal passato abbiamo ereditato la maestria, il metodo, e la capacità di guardare al futuro, consapevoli che l'esperienza e la competenza delle persone sono un valore aggiunto. Sosteniamo il MADE IN ITALY in ogni fase del processo produttivo.

PT Do passado, herdamos a maestria, a técnica, e a capacidade de olhar para o futuro, conscientes de que a experiência e a competência das pessoas são um valor agregado. Nós apoiamos o MADE IN ITALY, a excelência da qualidade italiana em todas as etapas do processo de produção.

RU Из прошлого мы унаследовали мастерство, метод и способность смотреть в будущее, осознавая, что опыт и компетентность людей являются дополнительной ценностью. Мы придерживаемся правила СДЕЛАНО В ИТАЛИИ на каждом этапе производственного процесса.
